Dear Friends,

We are beginning a new year of women together in faith at The National Presbyterian Church. We look forward to having you join us!

We see so many opportunities for women of all ages and stages. Let us make new friends encourage and support each other as we gather in love for fellowship, teaching, and service. Grow in your knowledge and faith in Christ. Share your thoughts, questions, and concerns with others. Join existing Bible Studies, or let us help you start one. All of us are seeking to mature in Christ as we walk together.

As we encourage each other let us see how we can grow in our spiritual lives, in fellowship with one another and in service to our Lord Jesus Christ.

In the love of Christ,

Leslie Saum

Flower Committee

These women share their creative touch with flower arrangements as they enjoy community and service. The arrangements grace our church each Sunday and on special occasions. No formal training is required, only willing hands and a desire to help with this ministry. If you lack experience, our experts will help you learn the skills, share in the rich fellowship and serve the Lord in this unique way.
