

# SUMMER CLASSES

## *“Jesus Tells the Story”*

### *The Parables of Jesus*

*Sundays, June 17 – September 2*

*Stone Hall - 9:15-10:20 a.m.*

Stories impact our hearts and grip our passions. Jesus, the master teacher, told lots of stories – parables – to communicate His message. This summer we seek to listen to Jesus afresh. As he tells the story, we seek to hear and be affected to believe and live as He instructs. Children, youth, and adults will be studying the same passages so that families can interact around the stories each week. **Adults will** gather around good coffee and refreshments in Stone Hall for times of discussion around tables.
